

# New School for Social Research Office of the Dean records

Collection, NS020203

## About

These records originate from the New School for Social Research Dean's Office and its predecessor school, the Graduate Faculty of Political and Social Science (in its early years, also known as the University in Exile). The records relate to departmental matters, including budgeting, curriculum development, faculty appointments, fellowships and program accreditation. Documentation will also be found for centers and institutes supported by the division.

The files also document events (1990s-2000s); the Speier Professorship (1990s); and controversies over New School president Bob Kerrey's war record (2001-2003). Some files are restricted. Please email [archivist@newschool.edu](mailto:archivist@newschool.edu) for details.
