Collection, NS030103

## About

This record group consists of video recordings, clippings, publicity samples, advertising materials, and topical office files, which include a large number of press releases, created by George Calderaro in his capacity as director of publicity for what is, as of 2019, The New School's Schools of Public Engagement. Calderaro led the New School Communications Office (later subsumed into the Marketing and Communications unit), from 1995 to 2005.
