

New School Adult Division event recordings

Collection, NS070201

About

This collection consists of audio recordings of special programs, performances, lectures, and short courses held at The New School between 1968 and 2011. These events were sponsored by the Dean's Office and/or by faculty in departments that fell under the broad aegis of the New School Adult Division (later, Schools of Public Engagement). Events were occasionally co-sponsored by outside entities.
