

# Quotes by Ruby Ross Wood

"Happiness is dependent on taste,  
and not on things. It is by having  
what we like that we are made  
happy, not by having what others  
think desirable. We all need the  
support of our surroundings."  
Ruby Ross Wood

"Decorating is the art of arranging  
things comfortably."  
RRW  
There is too little personal taste today  
too much correct taste of the

conventional sort, and too much smart  
taste of the modern kind"
